**Item Summary:**

On April 3, 2017, the Development Services Director (Director) denied Zoning Clearance Application No. ZC1-700-0010, a request to establish a medical marijuana dispensary (MMD) on an undeveloped lot at 8249 Broadway. The application was denied because the proposed MMD would be at a property located within 1,000 feet of a private school and a State-licensed daycare center (Saint John of the Cross Catholic Parish). The appellant, Mr. Rodi Mikha, subsequently filed an appeal and request for public hearing, stating: "The property may not be within 1,000 feet of a school or daycare facility. Further, the parcel can be divided to avoid possibly being within 1,000 feet of a school, or daycare facility. Lastly, the map put out by the City of Lemon Grove showing parcels that could contain a medical marijuana dispensary included at least part of APN: 503-012-34-00." Staff's response to the appellant's statements are provided herein (**Attachment A**).

## LEMON GROVE CITY COUNCIL STAFF REPORT

Item No. 6  
Mtg. Date July 18, 2017

Item Title: **Public Appeal to Consider Appeal No. AA1-700-0002 Regarding the Denial of Zoning Clearance No. ZC1-700-0010; a Request to Apply for a Conditional Use Permit to Establish a Medical Marijuana Dispensary at 8249 Broadway in the General Commercial Zone.**

Staff Contact: David De Vries, Development Services Director

### Background:

In November 2016, voters in the City of Lemon Grove passed Measure V, an initiative removing the City's prohibition of medical marijuana dispensaries (MMDs) and establishing performance standards and a permit process by which MMDs may be established. Measure V was subsequently codified in Chapter 17.32 of the Lemon Grove Municipal Code. The permit process for MMDs requires approval of a conditional use permit (CUP), and the performance standards prohibit MMDs on properties within 1,000 feet of certain protected uses, including schools and licensed daycare facilities. Schools include any public or private school providing instruction in kindergarten or grades one to 12. See Lemon Grove Municipal Code Section 17.32.090 (**Attachment C**).

In order to identify and map the location of protected uses, staff relied on a variety of resources including, but not limited to, the website Greatschools.org and the website for the California Department of Social Services (DSS). DSS is the licensing agency for daycare throughout the State of California (**Attachments D and E**). The City Council should note that the DSS Website reveals the locations of licensed daycare conducted in commercial and institutional settings, but does not reveal the locations of family daycare homes, which are conducted in private residential settings. To provide the public with a map identifying potential locations for MMDs, while protecting the locations of family daycare homes, City staff created a draft map with 1,000 foot buffers around the parcels where known protected uses are located. Staff then made those buffers opaque to obscure the underlying parcel geography (**Attachment F**).

On March 7, 2017, staff presented a report to the City Council describing the recommended draft review procedures and draft conditions of approval for requests to establish MMDs. Staff also presented the draft Medical Marijuana Zoning Map it had created. The review procedures include using the Zoning Clearance (ZC) process as the initial step in screening and reviewing of MMD applications. Complete ZC applications for sites which meet the zoning criteria and distance restrictions described in LGMC Chapter 17.32, and which include all required application materials will be deemed complete, and the applicants may then submit for CUP approval by the City Council. ZC applications for sites that do not meet the specified criteria are denied by staff. Staff's decision to deny any application is subject to appeal to the City Council, pursuant to LGMC Section 17.28.020(I).

On March 30, 2017, the appellant filed ZC1-700-0010, an application to apply for a conditional use permit to establish a MMD at the subject property (**Attachment G**). Prior to accepting the application, staff checked the location of the project site on the Medical Marijuana Zoning Map and determined it was ineligible for a dispensary. Staff then informed the appellant that the proposed project site was within 1,000 feet of a protected use, and therefore staff would have no option but to deny the ZC application.

## Attachment A

The appellant chose to file the ZC application despite staff's admonishment, and on April 3, 2017, the Development Services Director denied ZC1-700-0010 (**Attachment H**). On April 12, 2017, the appellant filed AA1-700-0002, an administrative appeal of the Director's decision (**Attachment I**). The basis of the appeal is that a small portion of the subject property is outside the 1,000 foot buffer around Saint John of the Cross Catholic Parish. The appellant states that portion of the property could be subdivided to create a separate parcel more than 1,000 feet from the Church's property. See the attached exhibit prepared by staff depicting the location of the site in relation to the Church property (**Attachment J**). No application for a subdivision has been submitted.

On April 26, 2017, staff sent a letter to the appellant acknowledging receipt of the appeal, informing him that the appeal hearing date would be May 16, 2017, and advising him to submit any additional information he wished to provide prior at the hearing (**Attachment K**). However, the appellant's legal counsel did contact staff and requested to defer the hearing until July 18, 2017. That request was granted by the Director of Development Services as indicated on **Attachment L**, dated May 8, 2017. In the same letter, staff disclosed that the protected use affecting the subject property was the Saint John of the Cross Catholic Parish and that school operations are located at both 8086 and 8175 Broadway. As of July 12, 2017, no additional information has been received. On May 23, 2017, City staff received a letter (**Attachment M**) from the staff at Saint John of the Cross Catholic Parish. The letter verifies that all three parcels comprising the church property are utilized in the conduct of the school and the daycare program. For example, the school uses the auditorium on the eastern parcel (APN 503-011-11-00) to conduct school-related events and to serve school lunch on a daily basis. The church also uses the youth center located on the eastern parcel to conduct daycare activities.

### Discussion:

The purpose of this appeal is to determine whether a MMD is allowed to proceed with a conditional use permit application based on a determination that the subject property is within 1,000 feet of a protected use, in this instance a school and licensed daycare facility. Staff contends that it has discovered appropriate evidence and made appropriate measurements to justify that there is both a school and a licensed daycare facility within 1,000 feet of the subject property. The appellant contends that the subject property may not be within 1,000 feet of the protected uses, and also suggests that the subject property could be subdivided in order to create a separate lot that would be more than 1,000 feet from the existing school and daycare property.

As indicated above and on **Attachment J**, staff has verified that Saint John of the Cross Catholic Parish is located approximately 744 feet west of the proposed dispensary site. As such, the site is ineligible for a dispensary. Staff further contends that the portion of the subject property which is more than 1,000 feet from the protected uses is too small to be developed and used as a separate commercial property.

The total area of the subject property is 46,174 square feet. The portion of the site located outside the 1,000 foot buffer around the protected uses has an area of approximately 5,600 square feet. The minimum size for a lot in the General Commercial zone is 10,000 square feet. As such, the portion of the subject property located outside the 1,000 foot buffer around the protected uses does not meet the minimum area requirements established in the Lemon Grove Municipal Code for lots in the General Commercial zone. Regardless, the property is not subdivided and a zoning clearance application authorizing such use could not be approved until the subdivision is finalized.

### Public Information:

The Notice of Public Hearing for this item was published in the July 6, 2017 edition of The East County Californian, and mailed to all property owners within 500 feet of the subject property. As

## **Attachment A**

of July 12, 2017, the City has received no responses to the Notice of Public Hearing. At the time of the public hearing, staff will provide the City Council with any additional written comments that may be received after distribution of the staff report.

### **Conclusion:**

Staff recommends that the City Council conduct a public hearing and adopt a Resolution (**Attachment B**) upholding the Development Services Director determination to deny ZC1-700-0010, and denying a request to apply for a conditional use permit to establish a medical marijuana dispensary at 8249 Broadway.

**WHEREAS**, staff at the church has verified in writing that the church uses all three parcels comprising the church's property to conduct school and daycare-related activities; and

**WHEREAS**, on March 21, 2017, after being informed verbally by City staff that the subject property was within 1,000 feet of a school and licensed daycare facility, and that submittal of a zoning clearance application would result in a denial, the appellant (Rodi Mikha) filed ZC1-700-0010, an application to apply for a conditional use permit to establish a MMD at 8249 Broadway, Lemon Grove, CA; and

**WHEREAS**, on April 3, 2017, the Development Services Director denied ZC1-700-0010 because the proposed project site is located within 1,000 feet of a school and a state-licensed daycare facility; and

**WHEREAS**, the Lemon Grove Municipal Code requires at least 10,000 square feet to create a new lot in the General Commercial zone; and

**WHEREAS**, the portion of the subject property located more than 1,000 feet from the existing school and daycare facility at 8086 Broadway is only 5,600 square feet; and

**WHEREAS**, the appeal of this determination is not a project and is not subject to the environmental review requirements of the California Environmental Quality Act (CEQA);

**NOW, THEREFORE, INCORPORATING THE ABOVE STATEMENTS HEREIN, BE IT RESOLVED** that the City Council of the City of Lemon Grove hereby:

1. Denies Rodi Mikha's Administrative Appeal No. AA1-700-0002 based on the above-findings; and

SUBJECT: Denial of Zoning Clearance Application ZC1-700-0010 for property located at 8249 Broadway, in the City of Lemon Grove (APN: 503-012-34-00).

Rodi Mikha,

On March 30, 2017, staff received the subject application to establish a medical marijuana dispensary (MMD) at the subject property in the City of Lemon Grove. The application has been denied for the following reasons, which may not be all inclusive:

- The property is located within 1,000 feet of a school and a State-licensed daycare facility.

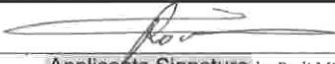

In order for staff to process a conditional use permit application for a MMD, the application must include all of the information required by Chapter 17.32 of the Lemon Grove Municipal Code, as well as the items listed on the City's MMD Planning Permit Checklist. Additionally, the location of the proposed MMD must comply with the zoning requirements and distance restrictions contained within Chapter 17.32. If any of the required items are missing, or if the proposed location does not meet the zoning requirements and distance restrictions, then staff cannot process a conditional use permit application. Please review the requirements of Chapter 17.32 and the MMD Planning Permit Checklist prior to submitting another application. Please also verify that the site chosen meets the distance restrictions established by Chapter 17.32. Staff's decision to deny this application may be appealed to the Lemon Grove City Council pursuant to Lemon Grove Municipal Code, Section 17.28.020(I). Appeals must be filed in writing within 10 calendar days of the date on this denial letter and must include a filing fee of \$75.00. Appeals must be filed using forms provided by the Development Services Department.

Respectfully,

David De Vries, Development Services Director

SUBJECT: Appeal hearing for denial of Zoning Clearance application ZC1-700-0010 for property located at 8249 Broadway, in the City of Lemon Grove (APN: 503-012-34-00).

SUBJECT: Continued appeal hearing for denial of Zoning Clearance application ZC1-700-0010 for property located at 8249 Broadway, in the City of Lemon Grove (APN: 503-012-34-00).

Rodi Mikha,

At the request of your attorney, Jessica McElfresh, the City is continuing your appeal hearing from the May 16, 2017 City Council agenda, to the July 18, 2017 agenda. If you have any additional supporting material you would like to submit for the appeal, please provide that information to staff at your earliest convenience.

Also, in order to provide a full and open opportunity for you to understand the reason staff denied your zoning clearance permit, and to allow you to respond accordingly, we wish to inform you that the protected use affecting your project site is the Saint John of the Cross Catholic Church, located at 8086 Broadway. The church property is comprised of three parcels, each of which is utilized by the school and the licensed daycare facility associated with the church. As such, the entire church property is considered a protected use. By measuring georeferenced parcel boundary information, we have determined that your property at 8249 Broadway is located 745 feet west of the church property, and is therefore ineligible for approval as a dispensary. A copy of this letter will be attached to the City Council staff report.

Respectfully,

Eric Craig, Associate Planner

*Saint John of the Cross Catholic Church operates an elementary and middle school, and provides licensed daycare services. The church programs activities for both the school and the daycare on all three of the parcels that comprise the church property. For example, the school uses the auditorium on the eastern parcel (APN 503-011-11-00) to conduct school-related events and to serve school lunch on a daily basis. Our Youth Center which is also on the north eastern side of our parcel is also used extensively for child care and youth activities.*

*Should you have any questions please feel free to contact me at 619-461-2681.*

*Respectfully,*

Jesse Ramirez
